“Ton Plus Two Run” - Information Sheet

The “Ton Plus Two Run” to be held on Saturday 16 November 2024 will be approximately 150 kilometres on sealed roads mostly through country areas with some hills. Check-in (breakfast) time will be from 8:00am at Cootamundra Showground with the start time at 9:30am for veteran and vintage bikes (built to 31 December 1930) and others to follow shortly afterwards.

The run will have vested officials approximately 100 metres before each corner. Back up trailers will follow the ride and if requested will carry riders’ reserve fuel containers.

There will be a comfort stop at Stockinbingal (approx 10:15), with complimentary cool drinks. Older bikes to depart around 11:00, followed by others.

Lunch will be in Temora, at the Greyhound Racing Track, from approximately 12:00 noon. Departure for return trip to Coota expected to be around 1:30pm.

In the case of a breakdown, it is the responsibility of the rider to secure their bike on a trailer. Back up vehicles will assist where possible, however due to time constraints the backup vehicle will have 10 minutes to get the stranded motorcycle underway. Failing that, the entrant can either load their motorcycle on the backup trailer or make their own transportation arrangements. **No bike/rider will be left behind !**

Dinner on Saturday evening will be at the Cootamundra Services Club starting at 7:00pm with the bar opening at 6:30pm. A courtesy bus will be available.

Details of a Sunday morning social run will be made available at the Dinner on Saturday evening. **This run will be open to all motorcycles of all ages.**
